**Frequently Asked Questions - FAQ
(Station Staff)**

1) What is WIRA CALTEX 2.0?

WIRA CALTEX 2.0 is a dedicated portal where all Caltex Station Staff in Malaysia can register and participate in the various programs conducted by Chevron Malaysia.

2) Why do I need to register for WIRA CALTEX 2.0?

All present and future station staff (full-time and part-time) can register and be part of WIRA CALTEX. Your status as a station staff will be validated by your station's Retail Partner or Station Management.

Registering for WIRA CALTEX allows all station staff to participate in the first program - Lubricants Incentive Program in the 4th Quarter of 2024. The current Quiz segment will be migrated from the current WIRA CALTEX 1.0 site after the implementation of the Lubricants Incentive Program.

3) How do I register for WIRA CALTEX 2.0?

If you are a staff that registered on the WIRA CALTEX 1.0 (wira.retailbuzz.com.my) site with a valid WhatsApp number before **31 August 2024**, you will be contacted directly via a WhatsApp message to update your details at **WIRA CALTEX 2.0 Pre-Registration page**. The purpose is to ensure that you update your details where needed and confirm your preferred language and Personal Identification Number (PIN).

If you had previously registered on WIRA CALTEX 1.0 and you currently are unable to register via the WIRA CALTEX 2.0 Pre-Registration page, that particular number may not be an active WhatsApp number. You may either contact the WIRA CALTEX Support Line by clicking **here** to check your status or register as a New User using the instructions below.

For all new station staff registrations, go to **WIRA CALTEX 2.0** website and click on the button "New User Registration" and select the relevant Category - **Station Staff** and follow the necessary Registration Guide to register.

4) What do I do if I have a new mobile number because I lost my phone or changed my mobile number?

Since you cannot Whatsapp using your previous mobile number, all you need to do is to complete **FORM B - Amend Delete Authorisation Form** and get it approved by any **STATION OWNER / INVESTOR or STATION MANAGEMENT** with the station rubber stamp/chop.

Take a photo of the completed FORM B and WhatsApp it to the WIRA CALTEX Support Line. After validation of the form, the Project Coordinator will make the necessary changes and update you directly via the WIRA CALTEX Support Line.

Once completed, you can login using your new mobile number with your original 4-digit Personal Identification Number (PIN).

5) Can I register more than one mobile (WhatsApp) number?

Each mobile (WhatsApp) number can only be registered in one of the categories. For example, the same mobile number cannot be used for **Station Owner/Investor** and **Station Management** categories, **Station Management** and **Station Staff** categories, etc.

6) Can I register using the same name but with two (2) different mobile numbers?

Each person is only allowed to register in one of the available categories. Should a duplicate name be identified, the person will need to confirm which category they wish to remain in and the duplicate will be deleted.

7) How does WIRA CALTEX benefit me as a staff?

The aim of WIRA CALTEX is to provide a single platform for you to:-

- i) Participate in all staff-related campaigns such as incentive programs, quizzes, surveys, etc
- ii) Win financial and non-financial rewards to acknowledge your work performed
- iii) Access new information and knowledge that will help you grow professionally

8) Why do I need to input my full name as per NRIC/Passport?

The full name as per NRIC/Passport is a requirement to allow Chevron Malaysia and the Project Coordinator to validate the names upon a Station Staff achieving a reward - financial (such as lubricants incentive) and non-financial (such as a winner's certificate).

9) How do I update my Profile Information?

If you wish to update your Profile Information on WIRA CALTEX, contact the WIRA CALTEX Support Line by clicking [here](#) using the mobile number used for that particular profile.

10) What will happen if I enter incorrect information such as name, station details and mobile number?

Incorrect information can be updated by contacting the WIRA CALTEX Support Line by clicking [here](#) using the registered mobile number for that particular profile.

If you do not update the information, the processing of any rewards (financial and non-financial) will be delayed until the winner's information is validated.

11) Can I request changes to my colleague's Profile Information on their behalf?

No, you cannot request changes to your colleague's Profile Information on their behalf.

12) What should I do if I forget my 4-digit PIN, and how can I change it?
